Bedford Barracudas Swim Team Family Support Contract

The Bedford Barracudas Swim Team relies on the support of its swim team families for events to run smoothly and successfully. Each family is required to earn eight (8) credits during the season, worth $250.00 for all eight (8) credits. Credits must be completed in full.

How to Earn Credits:

1. All credits will be available for sign-up via SignUp Genius, which will be made available in advance of each event. Credits will be confirmed and tracked by the Volunteer Coordinator.
2. If unable to fulfill a credit you signed up for, it is your responsibility to provide adequate coverage.
3. Job descriptions for earned credits are available on our website www.bedfordswimteam.org.
4. Please report to your shift on time and check in with the Volunteer Coordinator. Credit is received after completion of entire shift. Shifts may be shared by adult members of the same family.

To complete your registration with the Bedford Barracudas Swim Team a deposit of $250.00 (check only) **must** be received prior June 10. This deposit is collected in addition to family registration fee(s). Swimmers will not be eligible to participate in practices, until deposit is received.

Please Send Checks to:

Bedford Swim Team (BST)
PO Box 10164
Bedford, NH 03110

Upon completion of the eight (8) credits, your check with either be shredded or you may provide a self-addressed stamped envelope for the return of your check (see below). **At the end of the season, if the required number of credits have not been fulfilled, the deposit check will be cashed at that time.**

I have read and agree to the Bedford Barracudas Swim Team Family Support Contract and understand the requirements and fee of $250.00 per family if I do not fulfill our required eight(8) credits.
